Introduction of Combine Foundation

Combine Foundation is a non-profit organization working to improve access to healthcare and education for underserved communities in Pakistan. The foundation provides medical help, scholarships, relief support, and awareness activities, with the goal of helping people build better futures and stronger, sustainable communities.

Vision:

To empower youth as **responsible, confident, and socially-aware leaders** who drive positive change, inspire others, promote community development, advocate for education and health awareness, and contribute to a more equitable and sustainable society.

Core Values

1. **Youth Empowerment:** Encouraging young people to take initiative, build confidence, and become leaders in their communities.
2. **Integrity & Accountability:** Acting with honesty, transparency, and responsibility in all programs and initiatives.
3. **Community Service:** Promoting volunteerism and active participation in social, educational, and health-related projects.
4. **Collaboration & Teamwork:** Fostering partnerships between students, mentors, volunteers, and communities to achieve common goals.
5. **Innovation & Learning:** Encouraging creativity, problem-solving, and continuous learning through practical experiences in YLP and other programs.
6. **Inclusivity & Equality:** Ensuring all programs are accessible and promote fairness, respect, and equal opportunities for every participant.
7. **Sustainability & Social Impact:** Creating initiatives that lead to long-term positive change in communities.

Youth Leadership Program

The **Youth Leadership Program (YLP)** is an initiative by Combine Foundation designed to **develop the next generation of leaders**. It equips young people with essential skills like

leadership, communication, teamwork, and problem-solving, while encouraging them to actively participate in **community service, campus activities, campaigns, and volunteering projects**. Through YLP, youth not only gain knowledge but also **apply it to create meaningful impact** in their communities.

Mission through the Youth Leadership Program (YLP)

The Youth Leadership Program (YLP) aims to **equip young people with leadership, communication, and problem-solving skills** while encouraging them to actively participate in social initiatives. Through events, campus activities, campaigns, and volunteering, youth learn to apply their skills and make a real difference in their communities.

Course: Quantitative Finance Bootcamp

My journey with the Quantitative Finance & Business Analytics Bootcamp 2025 by Combine Foundation has been very rewarding. In the very first session, I was able to build a Financial Calculator (NPV & IRR) in Python on Google Colab, which calculates values and provides investment recommendations. The hands-on approach makes learning both practical and impactful. I'm excited to continue exploring upcoming topics like Risk, Derivatives, and Portfolio Optimization.
